| PUBLIC POWER CORPORATION (PPC)    | 188 pieces      | 380 kV and 6 kV Switchboards for Thermoel.Stations   | ALSTHOM - P.P.C.   | 282 pieces  | Low Voltage Switchboards for Thermoel. Stations         |
| ALSTHOM - P.P.C.                  | 224 pieces      | Rotor for "Stratos" Hydroelectric Power Station  | METKA - P.P.C.   | 2 pieces  | Spare Stator for 300 MW Generator                       |
| METKA - P.P.C.                    | 3 pieces        | Rewinding of stator for 300 MW Generator   | METKA - P.P.C.   | 6 pieces  | Alumin. Bus bars for 2 Hydroelectric Power Stations     |
| P.P.C.                            | 2 pieces        | Alumin. Bus bars for 2 Hydroelectric Power Stations  | ALSTHOM - P.P.C.   | 1   | Switchboards for Loading Vehicles                       |
| METKA - P.P.C.                    | 6 pieces        | Low Voltage Distribution Pillars   | PUBLIC POWER CORPORATION (PPC)                                       | 30,504 pieces                                     | 420 kV Outdoor type Disconnectors                       |
| PUBLIC POWER CORPORATION (PPC)    | 851 pieces      | 20 kV Outdoor type Disconnectors   | PUBLIC POWER CORPORATION (PPC)                                       | 12,765 pieces                                     | 20 kV Outdoor type Fuse Cut-outs                        |
| PUBLIC POWER CORPORATION (PPC)    | 270,971 pieces  | 20 kV Distribution class Arresters   | PUBLIC POWER CORPORATION (PPC)                                       | 124,704 pieces                                    | 20 - 400 kV Station class Arresters                     |
| PUBLIC POWER CORPORATION (PPC)    | 134 pieces      | Low Voltage Measurement Transformers   | PUBLIC POWER CORPORATION (PPC)                                       | 77,950 pieces                                     | Medium Voltage Measurement Transformers                 |
| PUBLIC POWER CORPORATION (PPC)    | 15,865 pieces   | Metering Boxes   | ARAB COUNTRIES   | 14,580 pieces                                     | Low Voltage Distribution Panels for COSMOTE             |
| INTRAMET                          | 410 pieces      | PDF Racks for O.T.E.(Public Telecom. Organization)   | INTRAMET   | 235 pieces  | MOT Kiosks for O.T.E.                                   |
| INTRAMET                          | 29 pieces       | METAL CONSTRUCTIONS  | Tube Coils and Parts for Thermolectric Power Stations and Refineries | Pressure Parts for 2 Thermolectric Power Stations | METKA - P.P.C.  |
| METKA - P.P.C.                    | 6,134 tons      | Tube Coils for Power Station Re-Heater   | EVT - P.P.C.   | 52 tons   | Prefabrication of Tubes for the Radiation sector        |
| EVIESK-SELAS-KIRCHNER-ELDA        | 600 tons        | Tube Coils for Power Stations  | METKA - P.P.C.   | 892 pieces  | Tube Coils for 2 Power Stations                         |
| METKA - P.P.C.                    | 447 tons        | Tube Coils for 2 Power Stations  | PUBLIC POWER CORPORATION (PPC)                                       | 241 tons  | Tube Coils for a Paper Mill                             |
| PUBLIC POWER CORPORATION (PPC)    | 90 pieces       | Tube Coils for a Paper Mill  | ATHENS PAPER MILL  | 20 tons   | Tube Curves for a number of Power Stations              |
| PUBLIC POWER CORPORATION (PPC)    | 17,174 pieces   | Tube Bifurcates  | PUBLIC POWER CORPORATION (PPC)                                       | 290 pieces  | Tube Bifurcates for "Ptolemais" Power Station           |
| METKA - P.P.C.                    | 5,974 pieces    | Tube Bifurcates for "Ptolemais" Power Station  | METKA - P.P.C.   | 236 pieces  | Tube curves for a Power Station                         |
| METKA                             | 23 pieces       | Stainless Steel Parts for Power Station Heaters  | METKA  | 93,68 tons  | Repair of tubes in "Aliveri" Power Station              |
| METKA                             | 1 piece         | Tube shaping for Power Stations  | METKA - P.P.C.   | 30 tons   | Tube shaping for Power Stations                         |
| METKA - P.P.C.                    | 1,021 pieces    | Tubes and Bifurcates for 2 Power Stations  | PUBLIC POWER CORPORATION (PPC)                                       | 4,214 meters                                      | Tubes for 2 Power Stations                              |
| METKA - P.P.C.                    | 294 pieces      | Connecting Tubes for 550 MW "Lavrio" Power Station   | PECHINE - GREECE   | 147 pieces  | Tube Curves   |
| METKA - P.P.C.                    | 27,000 pieces   | Spare Parts for the "Amintaion" Power Station  | PUBLIC POWER CORPORATION (P.P.C.)                                    | 12 tons   | Spare Parts for the "Megalopolis" Power Station         |
| PECHINE - GREECE                  | 190 pieces      | Spare Parts for the "Megalopolis" Power Station  | METKA - P.P.C.   | 33 tons   | Tube Coils for Dekelia Power Station, Cyprus            |
| EAC - J & P                       | 132 tons        | Air Pre heaters (LUVO)   | PUBLIC POWER CORPORATION (P.P.C.)                                    | 3,140 tons  | Air Pre heaters (LUVO)                                  |
| PUBLIC POWER CORPORATION (P.P.C.) | 84 tons         | Several Pre heater Parts and Spare parts   | PECHINE - GREECE   | 84 tons   | Parts for Belt Conveyors for Lignite open Mines and Ash |
| PECHINE - GREECE                  | 84 tons         | Frames, Parts, Tails for belt Conveyors  | METKA - P.P.C.   | 4,040 tons  | Belt Conveyors for Ash handling                         |
| METKA - P.P.C.                    | 246 tons        | Loading Stations, Loading Trucks, Loading Tables, Drive Stations, Connection Bridges of belt Conveyors | METKA - P.P.C.   | 3,436 tons  | Crawler Pads for Excavators                             |
| METKA - P.P.C.                    | 1,050 tons      | Crawler Pads for Excavators  | PUBLIC POWER CORPORATION (P.P.C.)                                    | 197 tons  | Lignite Belt Conveyor                                   |
